WORK EXPERIENCE

Hardware Associate and Backup Cashier

The Home Depot | Huntsville, Alabama

January 2021 - Present

- Proficiency in providing excellent and honest customer service through product knowledge.
- Performs exceptionally well in providing detailed information.
- Operates with efficiency at key cutting, ensuring care of aisle maintenance through SKU code scanners, and stocking shelves among other required tasks.
- Handled up to \$18,000 in transactions at contractor registers.
- Provided quotes to contractors for building materials.
- Experience in using teamwork to communicate, coordinate, and accomplish goals, such as spotting forklift drivers to move inventory and utilizing other departments as a team to handle inventory operations.

HVAC/Plumbing Helper

Mr. Fix It | Huntsville, Alabama

March 2025 – August 2025

- Assisted and supported contractors with HVAC and plumbing projects for businesses and homes.
- Ensured efficiency by assisting contractors with the installation of AC units, cutting and threading pipe, and installing ductwork in crawl spaces.
- Experience with applying various tools for plumbing and HVAC projects.

Yard Associate

Wilson Lumber | Huntsville, Alabama

November 2023 - August 2024

- Handled and managed materials to be organized, loaded and transported to customers; proactively ensured that products were properly arranged in compliance with company standards during warehouse operations.
- Forklift experience.
- Applied communication and teamwork skills with other departments in order to obtain and manage information on product status and location.
- Familiar with the procedure of using barcode scanner software technology to identify product location and scanning overstock to designated areas of the warehouse.

Industrial Sales Intern

Eastern Industrial Supplies | Huntsville, Alabama

May 2022 - August 2022

- Gathered, organized and presented data for a Powerpoint presentation at company headquarters.
- Supported warehousing operations, including receiving product and analyzing product quantity and condition.
- Handled transactions up to hundreds of dollars
